

AMT® 835

Experience™ Series

ADAPTIVE MOTION TRAINER®

Product Highlights

Like every piece of equipment in our Experience Series™ 830 Line, the AMT® 835 with Open Stride™ combines essential reliability and ease-of-use with a natural, low-impact stride to add value to your facility. The AMT 835 enables exercisers of all levels to personalize their workouts, keeping them engaged and challenged.

Product Features

1. P31 Console

Finally, an LED console that works harder for you, your servicers, and your exercisers. Get integrated asset management to supercharge your service techs with extra information, right at their fingertips. Exercisers will enjoy the well-placed channel or volume change controls. The black color on the P31 looks great across the full range of Precor cardio equipment.

2. Open Stride™

Open Stride™ is a unique feature that allows exercisers not only to dynamically adapt their stride length from zero to 36 inches (0 to 91 cm), but also to adjust their stride height from 6.8 to 10 inches (17 to 25 cm), providing an infinite range of stride paths to engage several muscle groups. Open Stride™ can be adjusted from level 1 to 5 with the tactile motion controls.

3. Handlebars Fit Everyone

The tapered moving handlebars provide a comfortable fit for nearly every exerciser. The stationary grip has a heart rate sensor built-in that provides monitoring and a stable, comfortable position when focusing on the lower body.

4. Total Body Workout in One Piece of Equipment

Exercisers can go from short stride to long stride, walking to running, climbing to striding, allowing them to target different muscle groups. Pushing and pulling the moving handlebars will engage the upper body, resulting in a total body workout.

Storm Grey

Refined colorways with dark Tungsten covers and two frame color options, Storm Grey and Black Pearl.

Black Pearl

Specifications

Dimensions (L x W x H): 80 x 35 x 69 in / 203 x 89 x 175 cm
