Vitality™ Series Selectorized

# Chest Press

The reimagined Vitality™ Series Selectorized Line provides a compact, value-priced conditioning circuit that fits the space and budget requirements for a wide range of facilities, from hospitality to multi-family residential to community centers. New contemporary styling allows you to enhance the Vitality Selectorized strength training experience with pieces from Vitality Benches & Racks and Resolute Strength™ Selectorized.

The Vitality™ Series Chest Press features comfortable, oversized grips with multiple positions, an adjustable back pad for desired pre-stretch start position and an adjustable seat for proper exercise height and form. Exercisers can easily engage the add-on weight with a simple push of a lever to increase the work load.

## Vitality™ Series Selectorized

# Chest Press

### Grip Variety and Size

The various grip options allow for a wide and narrow grip movements, providing exercise variety. The oversized grips provide comfort while pressing.

### Adjustable Start Position

The seat and back pad adjustments allow the exerciser to easily adjust the start position to fit their body for a comfortable workout position.

### Easy Entrance and Exit

The low pivot of the movement arm ensures proper path of motion and easy entrance/exit to and from the unit.

### Helpful Guidance

The conveniently located instructional placard provides step-by-step guidance on body position, movement and muscles worked.
