

PERFORMANCE 100 TREADMILL

The TRUE® Fitness Performance 100 Treadmill offers affordable quality while still providing premium technology and engineering for your home fitness needs. The Performance 100 features TRUE's Soft System® and is manufactured with commercial-grade materials and premium components. It also features the latest in fitness technology and connectivity to revolutionize the user experience, letting them easily track and manage their workouts through the GymTrakr app. Additionally, up to four users can create unique profiles and save their favorite workouts.

GymTrakr App
Connectivity and Tracking

FEATURES

- TRUE Soft System® decreases impact and stress on your joints, so you can run longer and farther
- HRC® Cruise Control gradually adjusts speed and incline to maintain a constant target heart rate throughout your workout
- Includes Heart Rate Strap
- Unique profiles for up to 4 users so you can save up to 5 workouts each
- The latest in fitness app technology and connectivity with the GymTrakr App
