

ALPINE RUNNER INCLINE TRAINER

Climb to new heights with the TRUE Alpine Runner Incline Trainer, the ultimate in incline training. With an incline range of -3% to 30%, this range intensifies workouts like never before. Choose from a variety of programmed workouts, including TRUE's Monument Workouts. The Alpine Runner features a patented incline system engineered to reduce the load on the incline motor and reduce wear and tear.

Vertical Upper Handgrips provide support at highest incline

Incline Range -3% to 30%

Optional step available
