Plyosoft Box Set (all three of below products in one set.)

Size 300mm (12") x 750mm x 900mm. Weight: 13kg. Colour: Green

Size 450mm (18") x 750mm x 900mm. Weight: 14kg. Colour: Blue.

Size 600mm (24") x 750mm x 900mm. Weight: 16.5kg. Colour: Red.

KEY FEATURES.

Patented fixing tabs that lock back on themselves.

Target hot spots on top of the box.

Anti-slip surface wraps around top edge to reduce scuffing.

TOP BENEFITS.

- Eye-catching colours enhance the look of any facility.
- The quality foam core withstands repeated use and far outlasts many others on the market. It has improved density for better stability when jumping and landing.
- Enhanced safety with an oversized landing pad (when compared with others on the market) and a soft core.
- Engages members with the opportunity to stack and progress.
- Lightweight and easy to move around.
