Prone Leg Curl

Biomechanically Sound

The angled hip and chest pads on the Resolute Prone Leg Curl ensure proper alignment of the exerciser's knee with the pivot point to maximize comfort while isolating the hamstring.

Designed to Go the Distance

The upholstered pads of the Resolute Prone Leg Curl underwent 1.2 million cycles of testing to ensure that this machine will be a durable workhorse for any facility. A contemporary, low profile design across the Resolute line gives even small facilities an open, spacious feel.

Focused on the Experience

The open design, easily-adjusted ankle pad, and ready access to the weight stack make it quick and simple to get started on the Resolute Prone Leg Curl. Our patented add-on weight requires just a flip of a switch to increase the workload.
