Resolute™ Strength Selectorized Line

# Seated Calf Extension

Resolve to make your selectorized strength equipment purchase with confidence—choose the Resolute™ Strength line from Precor. It delivers on what matters most: your investment will withstand the test of time.

The Resolute Strength Seated Calf Extension allows easy access and enhanced ergonomics for a precisely targeted resistance workout for the calf muscles. The curved foot platform provides even resistance on both feet and serves as a stable foundation throughout the complete range of motion.

## Resolute™ Strength Selectorized Line

# Seated Calf Extension

### Biomechanically Sound

The curved foot platform supports and stabilizes the ankles to properly activate calf muscles during the exercise. The adjustable seat position and back support pad enable the exerciser to direct force through the hips for better muscle isolation.

### Designed to Go the Distance

Over-sized steel tubing lends a sleek, contemporary shape, and contributes to a more durable product. Tested to 250,000 cycles using the full weight stack, the Resolute Seated Calf Extension is designed to go the distance.

### Focused on the Experience

Adjustments for the seat and weight stack are conveniently located from the seated position. Exercisers can grip the handles on either side of the seat for stabilization.

## Specifications
