Vitality™ Series Selectorized

# Triceps Extension

The Vitality™ Series Selectorized Line provides a compact, value-priced conditioning circuit that fits the space and budget requirements for a wide range of facilities, from hospitality to multi-family residential to community centers. New contemporary styling allows you to enhance the Vitality Selectorized strength training experience with pieces from Vitality Benches & Racks and Resolute Strength™ Selectorized.

The Vitality™ Series Triceps Extension features a single seat adjustment ratchets for correct biometrics and optimal comfort. Exercisers can easily engage the add-on weight with a simple push of a lever to increase the work load.

## Vitality™ Series Selectorized

# Triceps Extension

### Focus on Comfort

A preacher curl configuration features comfortable, self-adjusting hand grips and an ergonomic press pad.

### Low Starting Lift Weight

The counter-balanced movement arm provides exercisers with a low start lift weight.

### Get Exercising Faster

The start position is easily adjusted while the exerciser is sitting in the unit, allowing them to get moving faster.

### Helpful Guidance

The conveniently located instructional placard provides step-by-step guidance on body position, movement and muscles worked.
