Vitality™ Series Selectorized

Pulldown

The Vitality™ Series Selectorized Line provides a compact, value-priced conditioning circuit that fits the space and budget requirements for a wide range of facilities, from hospitality to multi-family residential to community centers. New contemporary styling allows you to enhance the Vitality Selectorized strength training experience with pieces from Vitality Benches & Racks and Resolute Strength™ Selectorized.

The Vitality™ Series Pulldown features an easy-to-adjust start position and dual hand positions enabling exercise variety. Slip resistant handles are optimal for comfort and stability during the exercise. Exercisers can easily engage the add-on weight with a simple push of a lever to increase the work load.

Dual-Pulley Handles

The versatile handle design permits exercisers to adopt different positions across the complete range of motion.

Focus on Comfort

Fixed thigh roller pads provide exerciser stabilization for proper form throughout the exercise.

Optional Lat Pulldown

To add pulling movement variety, the optional lat pulldown bar may be added.

Helpful Guidance

The conveniently located instructional placard provides step-by-step guidance on body position, movement and muscles worked.
