

DS-907

PLATE LOADED EQUIPMENT | 35° LINEAR LEG PRESS

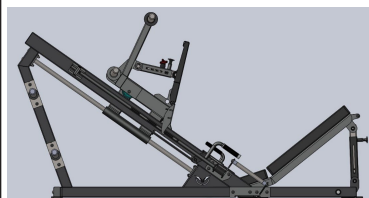

TKO is taking a traditional leg press to the next level! All new, Made in the USA, Defiant Strength 35° Linear Leg Press with Adjustable Foot Plate! Finally a leg press that can adjust to the user instead of the user adjusting to it, this is performed by the ability to adjust both the back pad and the foot plate to multiple angles. The sled design and adjust-ability can accommodate various heights from 5' to 6'7" all while improving ROM of the hips, ankles and knees for more significant overall lower body development.
