### What Sets Us Apart

**Five (5) Chromolight Boxes with 8 Color Wavelengths**

Delivers a full-spectrum experience with 8 color wavelengths to enhance overall wellness.

**Gemstone IR Emitters**

Features Jade, Bian, and Pink Ferric Oxide gemstones, providing natural infrared energy for a rejuvenating session.

**Carbon Heaters (Far Infrared)**

Equipped with advanced carbon heaters that offer deep, consistent, and efficient infrared warmth.

**Built in Benches**

The benches are engineered for support and longevity, providing seating that holds up to daily use.

**Premium Canadian Hemlock Construction**

Crafted from high-quality Canadian Hemlock, known for its excellent heat transference properties. This wood efficiently retains and radiates warmth, creating a consistently soothing sauna experience while enhancing the sauna's durability and natural beauty.

**Bluetooth Music Integration**

Features Bluetooth music integration, allowing you to enjoy soothing sounds and your favorite playlists. Elevate your sauna experience with calming audio that promotes relaxation and mental well-being.
