Enhancing Your Personal or Professional Space

The **SaunaWellness PRO 10** is one of the most powerful and fast-heating saunas available, delivering up to 400% more natural energy compared to traditional saunas. This patented, luxurious sauna integrates advanced infrared technology with bio-stacking of semi-precious gemstones, chromolights, and Himalayan salt tiles, creating a balanced and immersive experience. Designed for high-performance use, it's ideal for both personal and professional settings.

What Sets Us Apart

Ten (10) Chromolight Boxes with 8 Color Wavelengths

Delivers a full-spectrum experience with 8 color wavelengths to enhance overall wellness.

Gemstone IR Emitters

Features Jade, Bian, Rose Quartz and Tourmaline gemstones, providing natural infrared energy for a rejuvenating session.

Infrared Heat

Equipped with Far, Mid, and Near Infrared Emitters, full-spectrum heaters, and advanced carbon heaters for a comprehensive and effective wellness session.

Built in Benches

The benches are engineered for support and longevity, providing seating that holds up to daily use.

Premium Canadian Red Cedar Construction

Crafted from high-quality Canadian Red Cedar, known for its excellent heat transference properties. This wood efficiently retains and radiates warmth, creating a consistently soothing sauna experience while enhancing the sauna's durability and natural beauty.

Himalayan Salt Integration

Features integrated Himalayan salt tiles, adding calming and ionizing effects to the sauna environment, promoting a soothing atmosphere during every session.

O2 Ionizer

Advanced O2 ionizer purification system for a fresher atmosphere inside the sauna.
