

RedFuzion Pro-Max Fitness Recovery Bed

Chromolight | Near Infrared | Hyper-Oxygen | Himalayan Salt

Enhancing Your Commercial Space

The RedFuzion™ Bed is designed specifically for commercial spaces, from high-end fitness centers to luxury spas. Its durable construction and refined design ensure it withstands daily use while maintaining a polished and robust professional aesthetic.

What Sets Us Apart

Chromolight + Near Infrared + Polychromatic Light

A comprehensive light system featuring 43,000 LEDs that deliver a range of light wavelengths of 425-650 nm for an immersive wellness experience.

Easy-to-Use Touch Screen Color LCD

High definition beautiful user-friendly touch screen.

Preset Programs

Seven preset programs and one custom program for personalized sessions.

Cooling Face & Body Turbo System

Provides a refreshing cooling system for both face and body, enhancing comfort during sessions.

Translucent Privacy End Caps with Hyper-Oxygen Air System

Integrated into the bed, this feature enhances the bed chamber with hyper-oxygen enriched air for a refreshing and revitalizing experience.

Oxygen-Infused Halo-Salt Air System

Infuses the air with salt-enriched vapor, creating a refreshing environment that may support relaxation and overall well-being.
