

Infrared Sauna Series 2, 4, 6, 8 Person

Red-Light / Near, Mid & Far Infrared

Chromolights (8-Colors) | Gemstones | Himalayan Salt | Hyper-Oxygen Chamber-Air

Twenty (20) Bio-Stacked Energies

The World's First Commercial Infrared Sauna

The **ClubStrong™** Red-light Chromolight Near, Mid and Far Infrared Sauna series is designed specifically for commercial spaces promotes improved wellness from high-end fitness centers to luxury spas. Its durable construction, multi-energy wellness technology and elegant refined design ensure withstands daily use while maintaining a polished, professional aesthetic.

What Sets Us Apart

28/56 Chromolight LED Light Boxes

The 2- and 4-person models feature 28 Leds chromolights Modules (Red + 7 Colors) while the 6- and 8-person models are equipped with 56 modules offering (8-Colors) wavelengths for a full-spectrum experience.

Carbon & Incoloy Heaters (Far Infrared)

Equipped with advanced carbon and Incoloy heaters, providing deep, efficient, and reliable infrared warmth.

Gemstone IR Emitters

Incorporates Pink Ferric Oxide, Jade, and Bian gemstones for natural infrared emission energy enhancement.

Himalayan Salt

Integrated Himalayan salt tiles with 84 trace mineral that cleanse the air and enhance the environment with purifying and calming effects.

Built for Commercial Use

Features a reinforced construction with three (3) heavy-duty hinges built with durable materials to withstand frequent use in high-traffic environments, extended longevity.

Reinforced Benches

The strengthened benches are engineered for maximum support and longevity, providing durable seating that holds up to daily use. Its spacious design accommodates multiple users, optimizing comfort time and service efficiency for your users.

Hyper-Oxygen OxyOasis System

Included in every sauna session, this pure enriched-air oxygen concentrator system enhances the chamber air for a more refreshing experience, exclusive to our brand. Nebulizer system enhance the sauna chamber with fine misting of halo-salt solutions, liquid vitamins or aromas.
