

12 Groove Poly-V Belt

CT900 Treadmill - The Ultimate in Power, Durability and Performance

Engineered to meet the demands of high-traffic commercial environments, the CT900 treadmill sets the industry standard for reliability and longevity. Its heavy-duty steel frame, coated with a durable powder finish is backed by a lifetime warranty—making it a smart investment for any facility.

The CT900 features an oversized 22" x 62" (56 x 157 cm) running surface, offering ample room for a comfortable and secure stride. The 1" thick, double-sided, maintenance-free waxed deck is paired with a 2-ply belt, extending the lifespan of the running surface and minimizing upkeep. Large 3" (7.5 cm) front and rear rollers further reduce belt wear and ensure smooth, consistent operation.

Powered by a robust 5.0 HP AC drive motor, the CT900 delivers smooth, reliable performance even under the heaviest use. Designed to withstand continuous operation, the motor comes with a 10-year warranty, ensuring years of dependable service in commercial settings.

The intuitive console provides 18 pre-set programs along with direct speed and incline buttons for quick, seamless adjustments. Users can tailor their workouts to match their fitness goals, whether focusing on endurance, interval training, or fat burning. Ergonomically positioned hand pulse sensors provide real-time heart rate tracking, ensuring safe and effective workouts.

With its cutting-edge design, premium components, and advanced technology, the CT900 delivers an unparalleled cardio experience that exceeds expectations in every workout.

CT900 TREADMILL

- Oversized pulleys and 12 groove poly-v belt with tensioning idler reduces stress on the system for added reliability
- Double-sided phenolic coated deck, 3.0" (7.5 cm) rollers and multi-ply Habasit® belt combine to provide a low maintenance system for thousands of miles of use.
- Roomy 22" x 62" (56 x 157 cm) workout surface offers clients plenty of room for a comfortable workout
- 5.0 horsepower AC drive system provides power and longevity with a 10 year warranty
