

## CARDIO

# Treadmill

## TRM 731

### Product Highlights

The TRM 731 combines essential reliability and ease-of-use with an intuitive console at a value just right for you. This treadmill is designed to optimize performance and maintenance while providing a comfortable and effective workout for your exercisers. The simple, clean design holds up under heavy commercial use, ensuring your investment will last into the future.

### Product Features

#### P31 CONSOLE

A LED console that works harder for you, your exercisers, and your servicers. Exercisers will enjoy the well-placed speed and incline controls, as well as accessible workout options. Supercharge your servicers' efficiency by providing detailed equipment status information, reducing downtime on your fitness floor.

#### MOTOR DRIVE SYSTEM

The motor drive system improves performance, efficiency, and reliability through improved internal cooling, a wider operating range, and unique input current averaging to identify more precisely when a running belt requires replacement.

#### INTEGRATED FOOTPLANT TECHNOLOGY™

Recognizes exercisers' natural foot speed and matches every stride for an ultra-smooth feel that enhances their workout experience.

#### GROUND EFFECTS® IMPACT CONTROL SYSTEM

Our patented system combines ideal cushioning, support, and stability for exercisers. Precor decks are designed to provide more absorption in the front where exercisers' feet hit the belt and added rigidity at the back for a firm push-off.

#### ACTIVE STATUS LIGHT

To increase uptime, an external status light lets you and your staff know at a glance the operating condition of your treadmill and when to perform life-extending maintenance.

Black Pearl

### Specifications

**Dimensions (L x W x H):** 83 x 35 x 62 in / 211 x 89 x 157.5 cm

**Product Weight:** 405 lb / 184 kg

**Max User Weight:** 400 lb / 181 kg

**Step-Up Height:** 9.5 in / 24 cm

**Handrail Length:** 18 in / 46 cm

**Running Surface:** 60 x 22 in / 153 x 56 cm

**Speed Range:** 0.5 – 14 mph / 0.8 – 23 km/h

**Elevation Range:** 0% to 15% incline in 0.5% increments

**Power:** US & Canada: 120V/20A individual branch circuit; International: 240V, applicable country-specific power cord

**Total Workouts:** 28

**Languages:** English, French, German, Hebrew, Italian, Japanese, Portuguese, Russian, Spanish, Turkish

**Accessories:** Integrated Reading Rack, Mobile Device Charger (Standard), Cable Management (Optional)

**Warranty:** Visit [www.precor.com](http://www.precor.com) for warranty terms.
