PATH

spec sheet

robust design

Designed to take a pounding so you don't have to. Our treadmills are rated for 150,000 miles and require less maintenance and less electricity, thereby, reducing your overall operating costs.

space saving footprint

The Path is the perfect space saver while still giving you the benefits of the full-size WOODWAY experience. Shorter in length, the Path saves floor space and still delivers comfort and natural movement without stress on the joints.

40 year legacy

The Path is our smallest footprint motorized option. This saves you precious floor space, while still providing the supreme comfort of a WOODWAY slat-belt treadmill. Our design has been used for over 40 years, tested and proven to reduce harmful shock and reduce injury.
